

Greater China Distribution Points

The Greater China circuit sends your release to key general, business and consumer newspapers, magazines, newswires, broadcast and websites in mainland China, Hong Kong and Taiwan. Translation into Simplified and Traditional Chinese is included. Distribution via Asia Release, ISTIC and Xinhua Infolink, regional news agency partners in China, is also included.

Includes News Dashboard 2.0 (English only)

Media 5,131 / Editors 11,269
