

EXPERIENCE THE MARKETWIRED DIFFERENCE

Accuracy

Fully integrated, single-source solution means no duplicate documents and multiple vendors, so you decrease the chance for errors

Ease

Simple, collaborative interface makes changing and previewing documents (indefinitely) a breeze

Quality

All work done by experienced disclosure and filing agents, CPAs or accountants – and you deal directly with the person working on your documents

Value

Among the lowest-cost regulatory filing services in the industry with a straightforward pricing structure

Speed

One of the industry's quickest turnarounds on EDGAR and SEDAR forms – ideal since many decisions are made on the day of filing

Access

24/7 editorial and client support, unlimited time for filing previews, up to seven years' access to your filed documents

SPEND YOUR TIME WHERE IT COUNTS. RELY ON MARKETWIRED TO HANDLE THE DETAILS.

For more than three decades thousands of public companies have trusted Marketwired with their material disclosure, reporting and regulatory filing needs. That's because we've demonstrated time and again how our single-source, cost-effective solutions streamline complex investor relations processes while

safeguarding accuracy and security. As a leading global news distributor and authorized EDGAR and SEDAR filing agent, Marketwired takes care of all the compliance details so you can focus on business performance.

Satisfy Disclosure with Ease and Confidence

- Simplify disclosure of material news to financial terminals, print, broadcast and trade media, wire services, news agencies, databases, portals and websites across the US and Canada
- Get 24/7 access to full editorial support to help ensure your content is accurate, legitimate and correctly formatted
- Simultaneously distribute your material news and post it on your website and social channels to expand visibility and multiply reach

Meet All of Your US Regulatory Filing Requirements

- Combine 6-K or 8-K filings with material press releases
- File 10-Q, 10K and all other forms in XBRL format
- Receive guidance on appropriate taxonomy, whether IFRS or US GAAP
- Submit your documents in almost any format and we'll convert them into the required SEC format
- Preview a proof of your filing on SEC's EDGAR database and make required changes before we file it with EDGAR and provide you with confirmation of acceptance

Meet All of Your Canadian SEDAR Regulatory Filing Requirements

- Get complete filing services for news releases (with or without disclosure), quarterly and annual financial statements and MD&As, and all other documents
- Submit your documents in almost any format and we'll convert them into the required SEDAR formats
- Preview a proof of your filing and make required changes before we file it with SEDAR and provide confirmation of acceptance
- Participate in the voluntary XBRL filing program by having us convert and file your SEDAR-bound documents in XBRL
- Rely on our SEDAR experts for filing advice and information on fees, deadlines, document formatting, etc.

FULLY INTEGRATED DISCLOSURE AND REGULATORY FILING: SAFE, ACCURATE AND SECURE

THE XBRL PROCESS IS SIMPLE: SUBMIT, REVIEW, APPROVE
